Students Dedicate The '75 Falcon To Mr. Larry Friend

This year the students chose to honor a teacher who is concerned with the welfare of the school and the students. He is involved with many extracurricular activities in addition to teaching many classes. Each year during the winter he unselfishly gives up his time to rehearse the junior-senior class play. Besides being a teacher and a person one can respect, he is also a friend to all the students. He encourages his students to learn and to think for themselves, not only in class, but for everyday life. This year we are proud to dedicate the yearbook to a man who gives so much to our school. Thank you, Mr. Friend.

F.U. Fights the Squeeze

This was the year of the squeeze. Sardines never had it so bad. The situation seemed to stem from compressing about 750 students and faculty into a building constructed for 500. Then, too, pocket-books felt the crunch when students had to pay fees for almost every course besides buying school clothes and supplies.

The first place we noticed a bit of a squeeze was on the school busses and in the student parking lot. Woe to the drivers who failed to get to school before 7:45! They had to cruise around the parking lot, hoping to find at least 3/4 of a regular parking space into which they could inch. Of course, when they were parked, the only way they could get out was to crawl through a window. However, that was their problem. Unfortunately, the squeeze was even more noticeable inside the building. How we looked forward to that great day when that beautiful new junior high addition would be opened and we would have some elbow room!

Homerooms and class sizes were larger, more confusing, and noisier than ever. Many classes seem to be filled to the ceiling and then some. Sometimes it appeared that if everyone inhaled at the same time, the building would collapse. When the classbell rang, the classrooms were devoid of life compared to the halls as during class changes the halls were packed. Students literally came pouring out of doorways trying to enter the stream of traffic. Being elbowed in the stomach, being squeezed up against the walls, and having toes trampled was to be expected. One might get pushed and shoved, but at least in the sea of wall-to-wall bodies, it was almost impossible to fall down.

Speaking of wall-to-wall bodies, the cafeteria during fifth and sixth periods was an excellent example. The lunch line sometimes stretched from the kitchen all the way back to the office doors. And, if by chance, you were planning to sit down to eat your lunch, you had better be mighty fast on your feet. Empty seats were pretty hard to find during lunch.

Yes, the squeeze was here. Everyone felt it, but here at Fairfield Union, hope lives on and we'll make it in traditional F.U. style. Why? Because Fairfield Union is still the best!

SENIORS FEEL SQUEEZE

The economic and physical squeezes were not the only ones of which we, as Seniors, were aware.

When we entered school, the time when we would graduate seemed like a far-off dream. However, by the time we entered F.U.H.S. we began to realize just how fast time passed. This year, we suddenly felt very squeezed for time, because we saw that graduation was no longer a dream, but a reality. There seemed to be so much to do and so little time in which to do it. Preparation for our future had to be made by those of us going to college or school, and we had to rush to get the piles of paper work for admission completed. Those who plan on working found ourselves frantically looking for employment. In all, planning our future and finishing the immediate task ahead of us — that of completing high school — found us definitely squeezed for time.

This year, our class was led by a group of fine officers. They were: Dave Myers, President; Janet Schmeltzer, Vice-President; Connie Friend, Secretary; Karen Green, Treasurer; and Cindy Borah, News Reporter.

JUNIORS

As Juniors, we suddenly found ourselves nearing the end of our high school careers. As we took a serious look at the world around us, we saw shortages developing in everything. It also surprised us to discover that more and more people made demands for time, work, and money. Suddenly, we realized that we were about to come face to face with this "squeeze" and our school studies became more meaningful to us.

Our class officers this year were: Frank Hillyard, President; Brian Householder, Vice President; Jackie Hutchison, Secretary; Jenise Hutchison, Treasurer; Leslie Wilson, News Reporter.

SOPHOMORES

The Sophomore class squeezed into their place very comfortably acquiring more authority and responsibility with their new grade level. This class found itself beginning to receive the respect of the student body. The transition from being a freshman to being a sophomore was not an easy one, but it was a very successful one.

The officers were: Peggy Jones, President; Nancy Nicholson, Vice-President; Susan Daniels, Secretary; Michele Fetherolf, Treasurer; Carol Tolliver, News Reporter.

FRESHMEN

Although it took awhile, we finally adjusted to high school life. With all the confusion during the building of the new junior high, and all the workmen running around, not to mention the vast number of new faces in the existing building, it seemed amazing that we could be squeezed into a new school life successfully.

The Freshman class officers for the '74-'75 year were: president, John Camechis; vice-president, Matt Moury; secretary, Nida Sisco; treasurer, Penny Roe; and news reporter, Vince Trocchia. These people did a great job in leading us through our difficult first year.

Two bits, four bits . . . Mr. Queen not only has made this cheer a Fairfield Union tradition, but has been a big help to many Freshman classes as they entered their first year of High School. First Year Success

In spite of the squeeze in the classrooms, in some cases thirty-four students to a class, we Freshmen managed to get a great deal accomplished this year. As a major money-making project, we sold ink pens to the whole student body. We have adjusted to the high school routine, and we are even able to get from a Science class to Phys. Ed. on time. Sometimes, however, we find time to sit in the Art Room, supposedly studying for a Spelling test, and take a peek at Senior pictures without getting caught. All in all, we've spent a very beneficial first year at FUHS.

ACADEMICS

Academics

Here at Fairfield Union, as in all schools, we must take action to gain recognition and awards for our academic, artistic, and physical skills. Our individual talents are reflected in the courses, clubs, sports, or any other extra curricular activities we choose to involve ourselves in. By doing what we do best we round out our personalities and build a stable foundation for our future lives. The education we receive in high school is very important and must be thorough because it is the last formal schooling for those who will work after graduation, and the beginning work in depth for those who are college bound. As a result, our Academic life is most important here at Fairfield Union.

This year, the vocal music department had many exciting times preparing for the variety of performances which it presented at many places in our area.

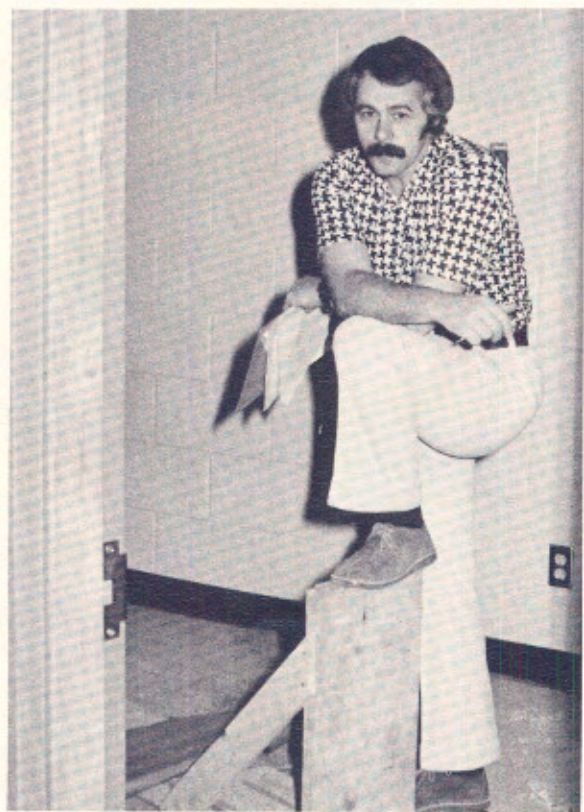

The chorus, the largest choral group in the department, was busy learning and performing throughout the season. Although they were involved in many areas of music, two activities will be remembered beyond the others. One of these was the annual Christmas tour during which the chorus performed at all the schools in our district. The other was the All-County Chorus concert in which vocalists from every school in Fairfield County participated.

The Assembly Singers, a select group of students, had their usual tight schedule of performances this year and found themselves squeezed for time as their presence was requested at numerous meetings and banquets. This spring, the Assembly Singers visited Findlay College with the ELJWB where they performed and spent the night as the guests of Findlay.

Both choral groups were very fortunate to have two sisters accompanying them at the various performances throughout the year. Kris and Lori Benadum were always faithful in preparing the many songs and exercises needed for everyone.

At the head of the vocal music department, of course, was the music coordinator for the entire school district, Mr. Trocchia, who once again produced performances in keeping with his fine reputation.

The vocal music department looks forward with a great amount of anticipation to next fall when the new music complex will be in full operation.

1974 Marching Falcons

Band Director

Paul Young

The agony of defeat and the thrill of victory touched the Marching Falcons this year. Starting early in the summer they competed in the State Fair Band Competition; then, half-time shows and parades filled their fall schedule between various contests. At the Marietta Band-O-Rama the Marching Falcons received a second place in parade and a first place in the field maneuver events. The following week they traveled to the Zanesville Bonanza of Bands, in which they achieved a first place in field maneuvers and a second place overall. The band season ended with an exciting performance at Denison University in Granville. Tight schedules, hard work, and fun added together, helped the Marching Falcons in their excellent accomplishments.

On February 13, the Fairfield Union Chapter of the National Honor Society initiated thirty-one new members. The Senior members conducted the tapping ceremony and there was much suspense for those wondering if they had been selected, as the speaker, Mr. Robert Kalish, Superintendent of the County Schools, presented the address. His topic was "LOVE — An Extra Quality that One Needs." He explained that among the many attributes a person must have to get along in society, love can be broken down into four components, which are the extras that one needs in order to be a special person. Mr. Kalish told the group that the "L" stands for Loyalty, "O" for Obedience, "V" for Valor, and the "E" for empathy.

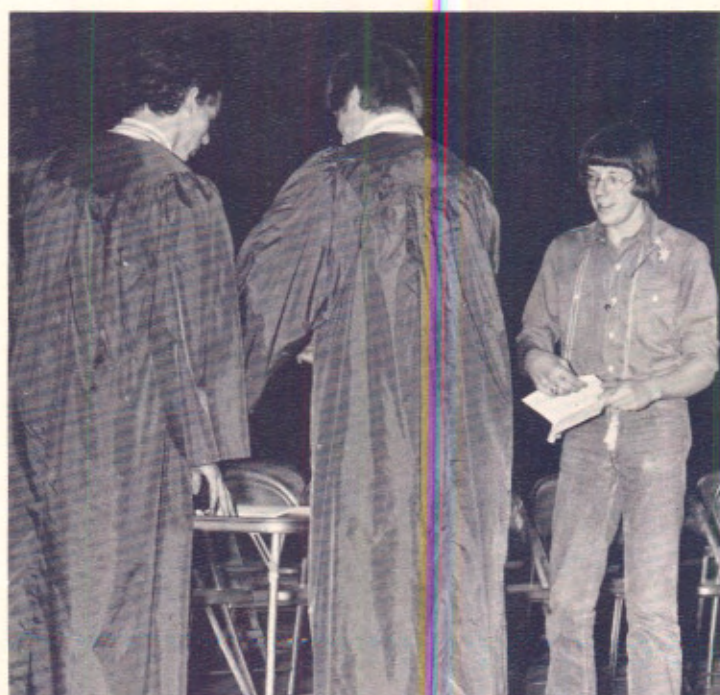

After the tapping, the new members were initiated formally. They, along with their parents and the faculty, attended a reception in the Home Economics room.

STUDENT LIFE

1974
Fairfield County Fair

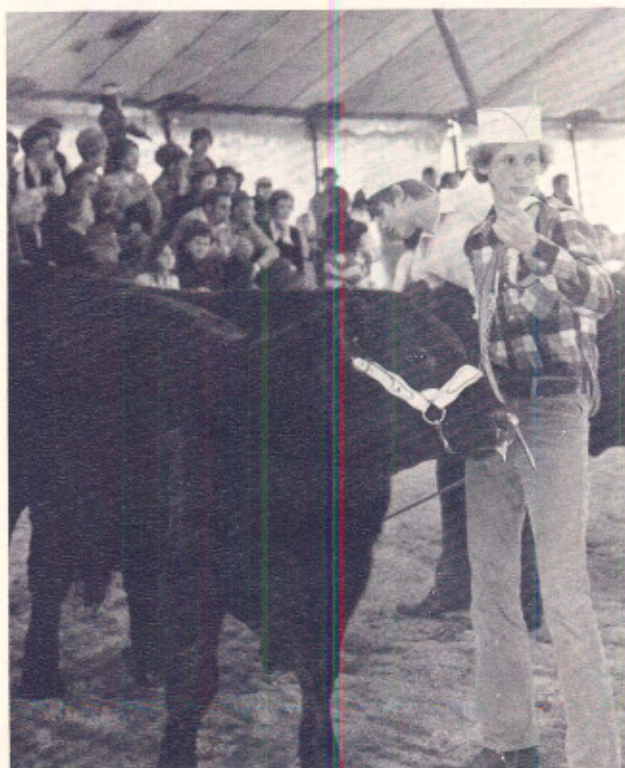

FAIRFIELD UNION AT THE FAIR

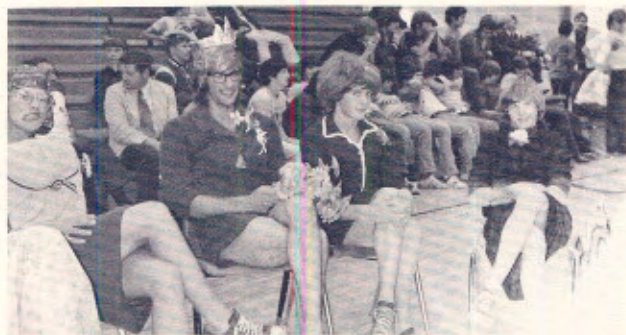

FINALLY IT ARRIVED!! THE FAIRFIELD COUNTY FAIR. Stomachs were filled with cotton candy, hot dogs, pizza, Coke, Pepsi, 7-Up, root beer, snow cones, hamburgers, lemonade, and much, much more. Many students participated in school, animal, art and advertising exhibits. Kevin Kemmerer's steer was shown in one of the many animal exhibits and was designated Over-all Grand Champion. It took a record price at the stock sale too! Congratulations, Kevin! Our band presented a great show as they participated on School Day at the fair. Many students had an enjoyable time helping in booths, either for 4-H, church, or some other organization. When the fair ended and back to school we went, we could hear many say, "Boy! I can't wait until next year! I'm going to have even more fun!"

SPIRIT INSPIRES

TRADITION

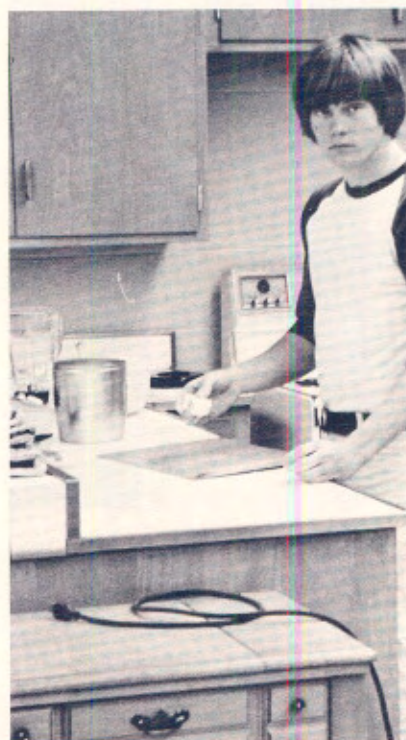

Throughout the school year, sports add interest and build enthusiasm among the student body. However, this year, the students and teachers alike were even squeezed out of the bleachers during the pep rallies, finding themselves sitting on the floor. This did not dampen the students' spirit as they cheered both football and basketball teams on to many victories during their respective seasons. The highlight of both sport seasons came when the Fall and Winter Homecomings were celebrated. This year's Fall Homecoming began with a pep rally honoring the "Queen and her court" in an uproarious skit. Pep rallies throughout the year inspire students' spirit in order that the tradition of victory at Fairfield Union can be upheld.

A fitting finale to the sports season is the sports banquet where all athletes, cheerleaders, managers, and coaches are honored. Pictured on the opposite page are scenes from this past year's Fall Sports Banquet, including football, golf, cross country, and girls' volleyball. Parents look proudly on as their sons and daughters receive their individual letters and awards.

Any cook in a squeeze

Guys can cook, too, as witnessed by scenes of "Whitey" doing his thing. Obviously he's enjoying his work — and is a master at it too.

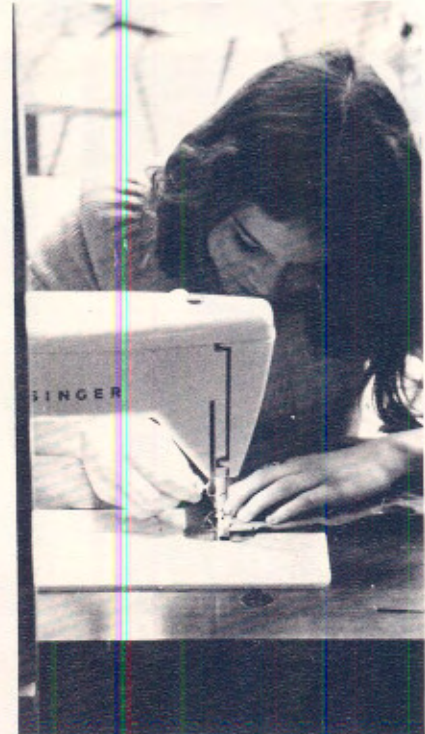

But real ones aim to please

"Oh please, pizzas. Please get done in time for the mobs!"

"At least I can rest now that we've finished serving 500 pieces of pizza."

POLYNESIAN

The Junior-Senior Prom "Polynesian Paradise," was held on May 3. The weather tried to be disagreeable but even the rain didn't dampen spirits, as everyone agreed it was one of the best Proms anyone could remember.

The decorations were outstanding. The atmosphere on the stage was enhanced by the

PARADISE

lovely background, the grass hut, canoe and palm trees. The dance floor itself was graced with a tiki god and a real mina bird.

The traditional buffet was a true Polynesian feast as roast pig was served.

All in all, it was a memorable evening for everyone who attended.

JUNIOR AND SENIOR CLASSES PRESENT

Southwest was the direction we went for entertainment as the Junior and Senior Classes presented "Oklahoma!" After several weeks of hard work on the part of the cast, the directors, the band, and the technical staff, the curtains went up on the production and the audience was suddenly transported to the days past before Oklahoma became a state.

The play offered something for everyone. Although "Oklahoma" was basically a love story, there was also suspense, drama, and a murder as well as the atmosphere of the golden days of the Wild West.

Talk about the squeeze! There were few places where anyone was more aware of it than in preparing "Oklahoma!" Time really flew, and suddenly the day arrived when the curtain was to go up. Somehow everyone was ready in spite of the fact that there had been an endless number of interruptions in the rehearsal schedule. However, with the combined efforts of everyone, it was an enjoyable evening.

Our school took on an international look as students representing six countries joined us this year.

Karl, Imke, Riesje, Maria, Peter and Luis, you presented us with more than a learning experience. You became our close friends and more important than anything else, we proved that language cannot prevent people from becoming friends.

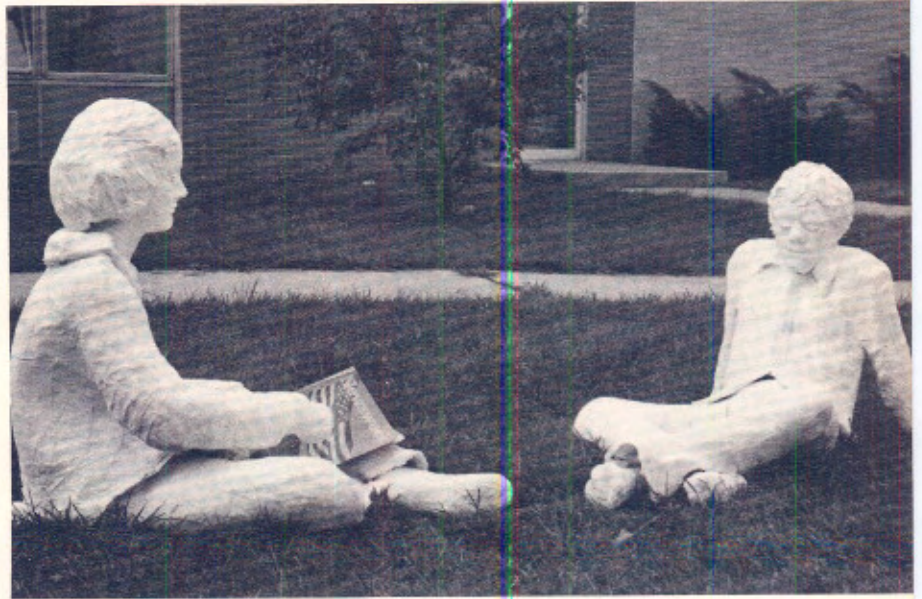

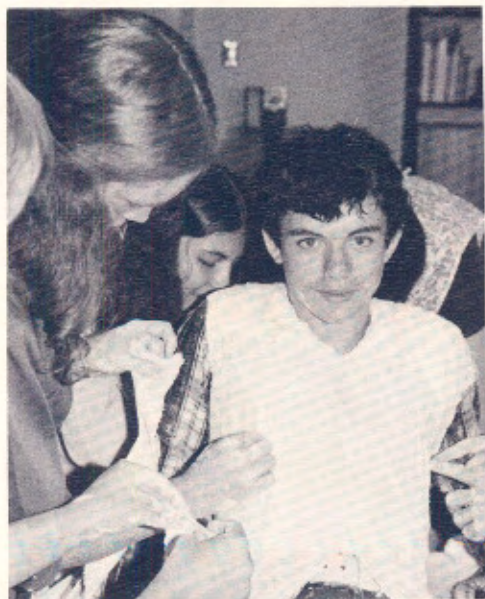

We learned a great deal from each other, we enjoyed each other and together we all grew. Now we'll miss you as you go your separate ways, but whether or not we meet again, we won't forget you because friendship is something that will last.

FTA – Faculty Tea

Throughout the year the members of the Future Teachers of America are involved in many activities and projects designed to give them a realistic approach to the teaching profession. From teacher teas or special programs to formal and informal initiations, the members are an active and valuable asset to Fairfield Union. One of the most enlightening programs in which the Future Teachers participate is the student teaching days during which the members have the opportunity to teach in the classrooms of the junior high and elementary schools.

Varsity F

The Varsity "F" is a special group of Falcons as this club is composed of individuals who have earned a varsity letter in one of the areas of sports here at Fairfield Union. They represent the "cream of the crop" and wear the varsity "F's" with a great sense of accomplishment. These "Super Falcons" know all too well the "squeeze" of pressure as fans and students look to them for leadership toward the many FU victories that have become a part of our history.

As a club, the Varsity "F" meets throughout the year and is involved in social as well as service and money-making projects. Whether it be on a scoreboard or in the school building, these people have played a major role in making Fairfield Union what it is today.

Row 7: Bill Farrow, Steve McLister, Jerry Marcum, Dan Henderson, Greg Fell, Ron Conant, Dave Terry.

Medical Careers Club

The Medical Careers Club is designed to give students who show interest in medically related occupations insight into the requirements and responsibilities connected with such jobs.

The medical careers club meets regularly on a monthly basis to conduct business and to plan its activities. One of these activities is the presentation of gift boxes to the elderly in the area who are confined to rest homes.

It is the hope of the club that its members will be inspired to enter the medical field of employment in order that the profession can continue to offer care on the high level of standards to which we are accustomed.

Media Club

The purpose of the Media Club is to encourage other student involvement in the library and audio visual departments while aiding students and teachers in locating library and audio visual materials.

These individuals are responsible for supplying many of the learning materials used in the classroom. Sometimes on very short notice, they provide information from the library or projectors and record players to teachers who need them in the classroom. In addition, they are trained in filing and categorizing books, or the maintenance of equipment. Needless to say, the academic area of our school would be at a loss without them.

Key Club

In its second year at this school, this group of young men has already made itself well-known and gained a reputation for being an organization for which we can be proud.

The highlight of the Key Club year was the Christmas party held at the school for all the children in our school district. Through various money-raising projects, the Key Club was able to provide gifts to persons of all ages who attended the gala party. The high point of the evening was the appearance of Santa Claus who talked to all the small children and gave each one a candy cane.

The Key Club looks forward to much growth and many years of continued service to our school and our school district.

Student Council

The Student Council is one of the most important organizations in our school. These individuals are elected by the students as representatives to the faculty and administration of Fairfield Union.

In the past, the Student Council has been active in such things as helping to establish the dress code for our school and assisting in the enforcement of it. In addition, they provide lunches and other financial assistance to the foreign exchange students who spend a year in our communities.

One of the major projects during the year is the organization of the Fall Homecoming events and the dance which follows the football game. The Student Council also sees to it that we have a Christmas tree in our building to bring about a Christmas spirit among our students.

Art Coordinator, Janet Friend

Art Honorary

The Art Honorary is designed for those students who have a genuine interest in art. The members were quite active this year. The culmination of the Art Honorary's efforts was the presentation of "Then and Now" in April, with excerpts taken from the musical "Godspell." Members of the organization combined their artistic abilities with music and choreography to entertain the audience.

SENIORS. Row 1: Tom McCurdy, Randy Winegardner, Mike Marcum. Row 2: Doug Nutter, Jim Donaldson, Gary Likovic, Dave Terry.

The 1974 Falcon "gridders" were led to their best season in three years by six returning seniors. Tom McCurdy, Doug Nutter, Gary Likovic, and Randy Winegardner, seniors who distinguished themselves on the field, along with junior Dave White, were chosen to the Midstate League first team. Jim Donaldson and Todd Kemmerer received honorable mention. Tom McCurdy was selected as the Central District Lineman of the Year and was a member of the first string all Ohio football team.

Homecoming '74

The 1974 Fall homecoming saw F.U. pitted against Fisher Catholic, in what Coach Mauller described as "Our best defensive game of the year."

Jackie Huber and her exquisite court reigned over the proceedings as this nerveracking game ended in a deadlocked score.

After the game, students and alumni were treated to a dance sponsored by the Student Council. The music was provided by "Temperance." The dance and the exciting game rounded off an almost perfect evening.

The 1974-75 Falcon "cagers" were led to a respectable season by Seniors Jeff Thomas, John VanAtta, and Karl Michelson. Although the Falcons had trouble getting started, losing four of their first five games, by the end of the season they were "knocking off" opponents right and left and finishing with an overall record of ten wins and nine losses. Much exciting action was produced by the Junior co-captains Rudy Huston and Gary Watts.

Winter

The winter homecoming basketball game took place on January 27. The opponent was Canal Winchester, which was rated no. 1 in the state by the UPI polls.

Although the Falcons fought valiantly even in overtime, the Indians scored. The final tally was CW 58-FU 50. The high point of the evening came at halftime when Penny Hanson was crowned queen of the Winter Homecoming.

After the game, many of the students attended the annual Winter Homecoming dance, sponsored by the Varsity "F". Music was provided by the Berne Union "Rockets" stage band. The evening came to a close much too swiftly.

Girls' Varsity Interscholastic Sports are in their first year of existence in the Mid-State League. Although none of our teams won championships this year, our girls' athletic prowess was challenged as well as strengthened. The "Female Falcons" placed third in the league in volleyball.

Fight to Finish

Front Row: Briget Moury, Doris Ross, Malinda Smith, Joni Grove, Lona McCune, Belinda Bigham. Second Row: Tracy McCurdy (statistician), Karen Grove, Leslie Wilson, Karen Bright, Peggy Jones, Tammy Hanson, Kim Flowers, Miss Arps (coach).

Basketball Team

This year the "Powder Puff" Basketball team ended its season with a 4-4 record, after losing the first game of the tournament. The Lady Cagers played each team from the South Division of the Mid-State League twice to round out their playing season. Unfortunately, the squeeze was also felt in women's sports, as there were not enough uniforms for the reserve members of the team.

A tense moment in the game for Miss Arps.

Reserve Basketball Team

Front Row: Penny Walls, Diana Love, Kathy Grove, Tina White, Elaine Ross, Beverly Bigham. Second Row: Miss Arps (coach), Penny Hanson, Penny Roe, Nancy Hugus, Riesje Van Helden, Pam Mull.

Track Team

This year's girl's track team was small in number but mighty in spirit as they participated in five regular season meets. In addition, the team journeyed to Columbus for the Pre-district Meet where Jamie Pennington placed. Although none of our members will be participating, this is the first time in the history of Ohio Athletics that girls could take part in a state tournament. Members of the team included: Susan Moyer, shot put; Debbie King, 80 yard hurdles, 100 yard dash; 440 relay; Jo Ann Fell, shot put, discus, 440 relay; Debbie Hunter, long jump, 440 relay; Jamie Pennington, 100 yard dash, 220 yard dash, 440 relay.

Softball Team

Front row: Sue Peters, Rita Berry, Jackie Hutchison, Bridget Moury, Beth Forsythe. Second row: Anita Moyer, Becky Wagner, Paula Stover, Lona McCune, Doris Ross, Elaine Ross, Nancy Nicholson, Mrs. Loan (coach).

The "Female Falcon" softball team had an excellent record of 6-2, and placed second in the league squeezing behind Millersport. If you think this record is good, wait until next year! There were many freshman "Powder Puffers" who showed lots of spirit and cooperation so we're quite sure there will be no squeeze for the number one slot in the league next year.

CROSS-COUNTRY – THE LONELY SPORT

The "74" edition of the Falcon cross-country team experienced both victory and defeat. With a mixture of veterans and "rookies", the "ridgerunners", under the leadership of Coach Riley and Co-captains Dave Myers and Doug Ramey, compiled a respectable meet record during the season.

A couple of the highlights of the season were taking the second place trophy at our own "Falcon Invitational" and then capping the season with a second place finish in the Mid-State League. The Falcons, who have many of their top runners returning, look forward to the 1975 season with a great deal of anticipation.

The Falcon "grapplers" had an exceptionally fine season this year. The team came on strong as was predicted, and brought home five trophies for their first and second place victories at invitational tournaments. Led by 10 seniors, with Russ Dennison as captain, they were all but unstoppable. As a result, it was no surprise that they captured the Mid Stage League title. Coach Mauller was elected the MSL Outstanding Coach, and Russ Dennison was voted as the League's top wrestler. To sum it all up, as far as the wrestlers were concerned, it was all breeze and no squeeze.

Captain Kline demonstrates his swing.

The Falcon golfers saw some changes take place in their sport this year. For one thing they had a new coach and for another they played a fall schedule instead of in the spring as the Mid-State League rearranged their golf scheduling. Whether it was on the fairway, in the rough, in a trap or on the green, the Falcons proved that they could put the "squeeze" on their opponents under any conditions. They built up a formidable reputation over and over as the score cards told the story.

Coach Schweitzer gave valuable advice and training to the team in their first fall season.

Take your stance . . . address the ball . . . swing . . .

follow through . . . keep your eye on the ball!!

Cheerleaders

Under the leadership of our Varsity Captain, Bridget Moury, the Falcon cheerleaders led an enthusiastic student body through a year of team support. One of the most difficult duties of the cheerleaders was to keep spirit at its peak throughout the school year. It was a most challenging job, which required endless hours of planning and practicing. Spirit, pride, and a strong desire to win were the foremost goals of our fine cheerleading squads.

Senior and Captain, Tad Moyer

"Falcon Power"

The cinder squad was out in full tilt this spring demonstrating their "Falcon Power" as they compiled a noteworthy meet record of 4 and 1 in the league. In addition, these Fleet-footed Falcons placed fourth over all at the Mid-State League meet held in Lancaster on May 14.

The highlight of the season came as the Falcons hosted the second annual "Falcon Invitational."

There were individual highlights too. One of these came as Mike Reliford set a new school record in the high jump at 6'1".

BASEBALL – THE GREAT AMERICAN SPORT

Row 1: Tom McCurdy, Doug Ramey, Ty VanFossen, Dan Henderson. Row 2: Kevin Kemmerer, Bob Markwood, Joey Rogers, Doug Fisher, Mike Courtright, Jeff Camechis, Matt Moury. Row 3: Coach Nelson, Doug Duvall, Doug Gartrell, Gary Watts, Jerry Stover, Rick Myers, Mike Gartrell, Alan Myers, Barry West, Coach Conrad. Row 4: Steve Bair, Dean Jones, Louis Howard, Jim Hines, Doug Barr, Chuck Meyer, Rudy Huston, Rodney Sheets, Tim Maddux, Jeff Tipton.

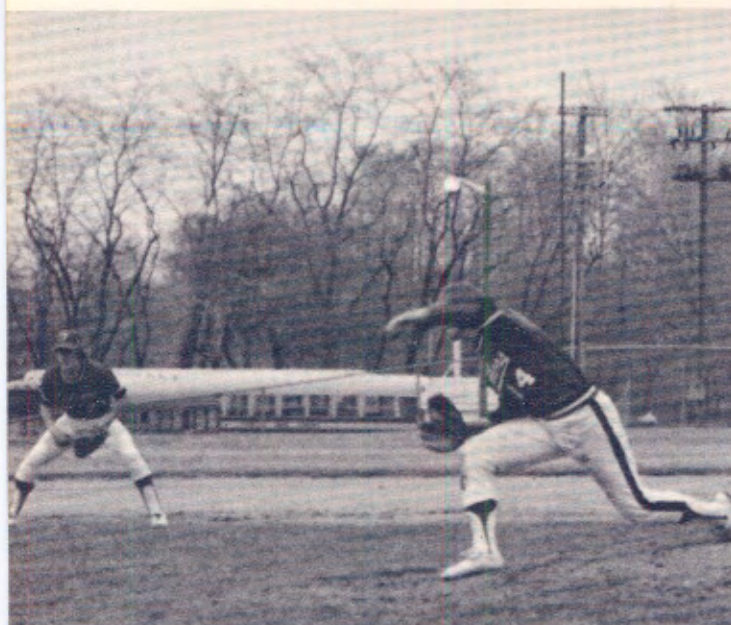

Speaking of squeezes, the diamond men really put it on their opponents this year as they stacked up 20 wins. In addition, the mighty Falcons captured second place in the Mid-State League.

Under the leadership of Coach Nelson and Assistant Coach Conrad, the baseball team made it quite clear as to what we mean when we talk about "Falcon Power." The Co-captains, Danny Henderson and Tom McCurdy led the way by setting an excellent example for the Falcons.

The highlight of the season came when the Falcons defeated the Carroll Bulldogs who were at that time undefeated in the league. The season was culminated by the election of three members to the all-league team: Doug Barr, Danny Henderson, and Rudy Huston.

Yearbook Staff

The squeeze was really on for those of us in the yearbook department. In fact, at one point it looked like the '75 FALCON might not materialize at all. However, with a little effort and a whole lot of work we made it!

Now as we look at the finished product, we are reminded of a familiar quote: "If at first you do succeed — try hard to hide your astonishment!"

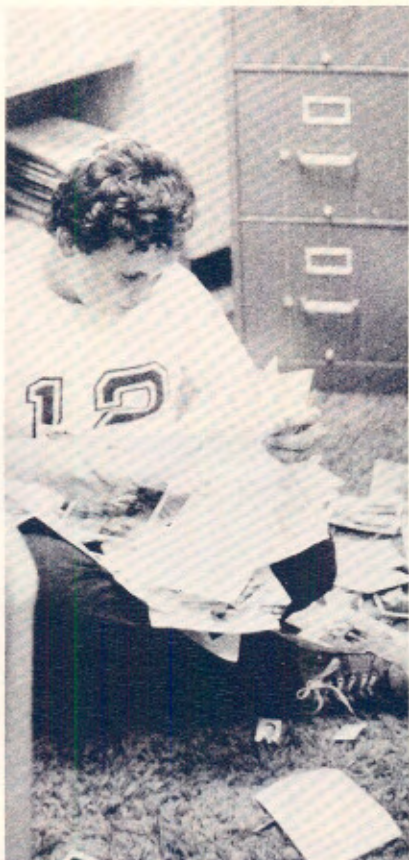

Row 1: Deb Thomas, Annette Myers, Molly McCray, Tim Zerface. Row 2: Bill Milliron, Butch Eskew, Sharon Beerbower, Mina Stephenson (editor), Becky Wagner. Row 3: Mr. Riley, Jeff Sherlock, Margie Chapman, Ben Zerface.

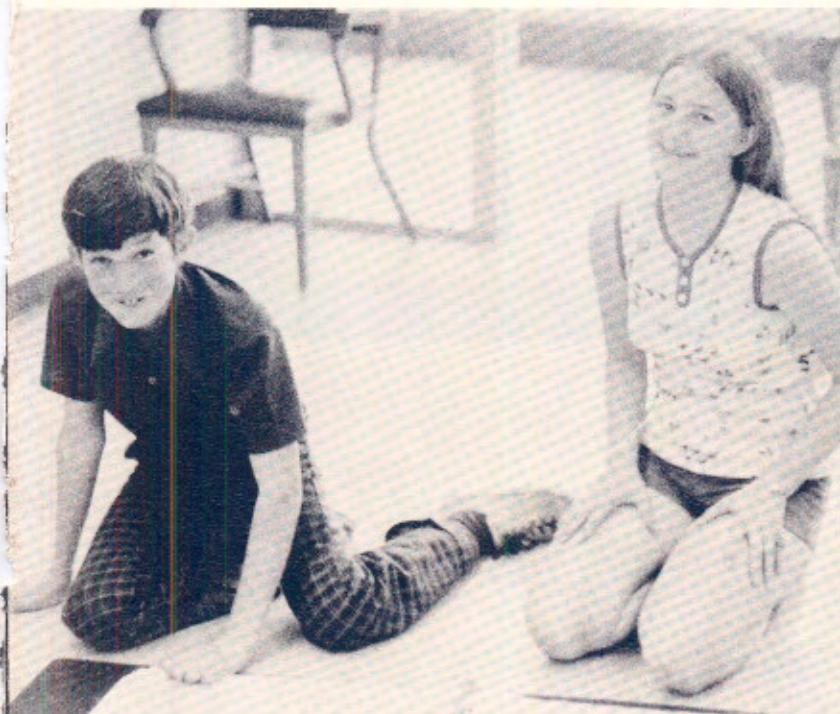

Bill doublechecks the finished copy.

Butch at his best

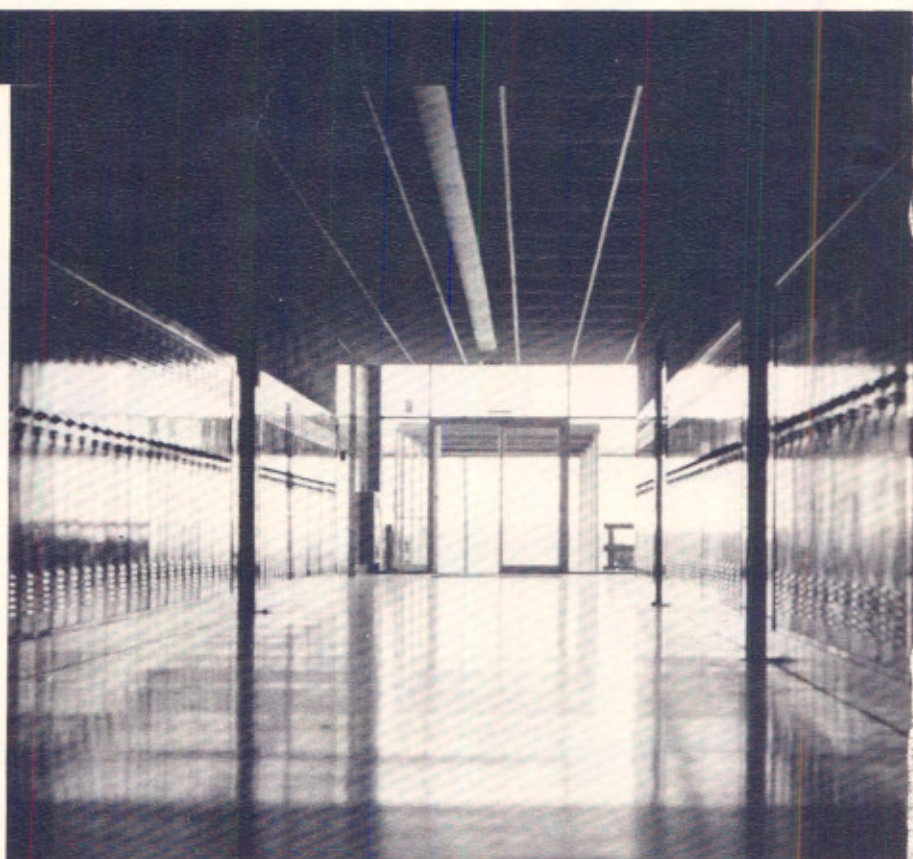

Molly dreams up a new lay-out.

Tim and Becky check out the planning dummy for correct picture placement.

Annette frantically typing to meet a deadline.

Yes, this was the year of the squeeze, but even that has now passed. The ring of voices and sounds of the school day are only echoes that seem to linger in the halls. The dust has settled and over everything hangs a silent stillness that seems to whisper little tales of past days — little shouts of anticipation, tiny cheers of excitement and occasionally a sigh full of memories. Another year has passed and with it many fleeting moments which will have to live now in the hearts of those who are FAIR-FIELD UNION.
